Cylinder Testing Services

Cyl-Tec can save you time and money by handling your high-pressure cylinder maintenance.

Cyl-Tec is a registered U.S. DOT hydrostatic and ultrasonic test station.

Cyl-Tec provides U.S. DOT approved acetylene cylinder re-qualification.

Our cost effective standard services include:

- U.S. D.O.T. hydrostatic and ultrasonic testing
- External shot blasting and spray painting
- Internal shot blasting and oxygen cleaning
- Special paint requirements
- Gas Service changes
- Siphon tube replacement and installation
- Neck ring replacement and installation
- Valve replacement
- Cylinder stenciling and stamping
- Cylinder cradle repair
- Cylinder cradle manifold repair

Cyl-Tec hydrostatically and ultrasonically tests and maintains all types of high-pressure cylinders as well as Re-qualification of Acetylene cylinders
